Delta Airlines generally allows infants under 2 years old to travel with an accompanying adult+1-855-536-2749 (US) 📞 +44 800 058 8736 | Depending on the itinerary and the family's preference, an infant may travel on the adult's lap or occupy a separate purchased seat+1-855-536-2749 (US) 📞 +44 800 058 8736 | Delta also provides guidance for child restraint systems, strollers, bassinets on eligible flights, and family travel+1-855-536-2749 (US) 📞 +44 800 058 8736 |

This guide explains the major parts of **Delta infant travel**, from booking and documents to boarding and keeping your baby comfortable in the cabin+1-855-536-2749 (US) 📞 +44 800 058 8736 |

🍼!!Baby!!Booking!!Start!!✈️ How to Add an Infant to a Delta Reservation

Before worrying about diapers and bottles, make sure your baby is correctly included in the reservation+1-855-536-2749 (US) 📞 +44 800 058 8736 |

An infant traveling on a parent's lap still needs to be identified in the booking+1-855-536-2749 (US) 📞 +44 800 058 8736 | Parents should provide the baby's correct name and date of birth and confirm the infant's travel arrangement before departure+1-855-536-2749 (US) 📞 +44 800 058 8736 |

📞 +44 800 058 8736 | +1-855-536-2749 (US)

When booking online, look for the option that indicates you are traveling with an infant+1-855-536-2749 (US) 📞 +44 800 058 8736 | If the booking has already been made and the baby needs to be added later, parents should make the necessary arrangements before arriving at the airport+1-855-536-2749 (US) 📞 +44 800 058 8736 |

This is especially important for international trips because infant ticketing and documentation requirements can differ from domestic travel+1-855-536-2749 (US) 📞 +44 800 058 8736 |

👶 Baby added to the reservation? That's one less airport surprise to worry about+1-855-536-2749 (US) 📞 +44 800 058 8736 |

👶!!Lap!!Infant!!Mode!!🍼 Can a Baby Travel on a Parent's Lap?

Yes+1-855-536-2749 (US) 📞 +44 800 058 8736 | Eligible infants under 2 years old can generally travel on the lap of an accompanying adult+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Lap travel is a popular choice because parents do not need to purchase a standard passenger seat for the baby when the applicable infant requirements are met+1-855-536-2749 (US) 📞 +44 800 058 8736 |

🍼 One parent, one baby, one carefully planned seat arrangement+1-855-536-2749 (US) 📞 +44 800 058 8736 |

📞 +44 800 058 8736 | +1-855-536-2749 (US)

For domestic travel within the United States, lap-infant arrangements can be different from international travel+1-855-536-2749 (US) 📞 +44 800 058 8736 | Parents should check the specific itinerary because taxes, documentation, and ticketing rules can vary+1-855-536-2749 (US) 📞 +44 800 058 8736 |

A lap infant also needs to follow the applicable aircraft safety requirements+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Parents should listen carefully to the cabin crew and follow all instructions involving takeoff, landing, turbulence, and the seat-belt sign+1-855-536-2749 (US) 📞 +44 800 058 8736 |

💺!!Baby!!Gets!!A!!Seat!!✈️ Should You Purchase a Separate Seat?

Parents may decide that a separate seat is more comfortable for their infant+1-855-536-2749 (US) 📞 +44 800 058 8736 |

A purchased seat provides the baby with an individual passenger space and can allow an approved child restraint to be used when the applicable requirements are met+1-855-536-2749 (US) 📞 +44 800 058 8736 |

👶 Sometimes a little extra space makes a big difference+1-855-536-2749 (US) 📞 +44 800 058 8736 |

📞 +44 800 058 8736 | +1-855-536-2749 (US)

A separate seat can be especially attractive for longer flights because the baby has a dedicated space rather than remaining on an adult's lap for the entire journey+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Parents should remember that buying a seat does not mean every car seat can automatically be used onboard+1-855-536-2749 (US) 📞 +44 800 058 8736 | The child restraint must meet the applicable safety requirements+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Before traveling, check the restraint's approval information and understand how it must be positioned in the aircraft seat+1-855-536-2749 (US) 📞 +44 800 058 8736 |

🚗!!Car!!Seat!!Ready!!🍼 Delta Infant Car Seat Guide

A familiar car seat can make the flight experience more comfortable for some babies+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Delta allows approved child safety seats to be used onboard when the applicable requirements are satisfied+1-855-536-2749 (US) 📞 +44 800 058 8736 | The restraint should be appropriate for aircraft use and used according to its manufacturer's instructions+1-855-536-2749 (US) 📞 +44 800 058 8736 |

📞 +44 800 058 8736 | +1-855-536-2749 (US)

Parents should check the label on their car seat before traveling+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Look for the required certification or approval information showing that the restraint is suitable for aircraft use+1-855-536-2749 (US) 📞 +44 800 058 8736 |

It is also important to consider the dimensions of the seat+1-855-536-2749 (US) 📞 +44 800 058 8736 | A very wide car seat can make installation more difficult in a narrow aircraft cabin+1-855-536-2749 (US) 📞 +44 800 058 8736 |

🚗 Car seat packed? Check the label before you head to the airport+1-855-536-2749 (US) 📞 +44 800 058 8736 |

🪑 !!Smart!!Seat!!Planning!!👶 Choosing a Seat With an Infant

Seat selection becomes much more important when you are traveling with a baby+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Parents should consider how they will handle feeding, diaper changes, sleeping, and getting in and out of the row+1-855-536-2749 (US) 📞 +44 800 058 8736 |

✈️ A good seat won't stop a baby from crying—but it can make parenting easier+1-855-536-2749 (US) 📞 +44 800 058 8736 |

📞 +44 800 058 8736 | +1-855-536-2749 (US)

Families traveling together should review their seat assignments before departure+1-855-536-2749 (US) 📞 +44 800 058 8736 |

If the baby has a purchased seat and will use a child restraint, make sure the selected seat works with the restraint and follows applicable safety restrictions+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Parents should also avoid waiting until boarding to discover that their family members are seated far apart+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Planning early gives you more opportunities to arrange seats that work for the whole family+1-855-536-2749 (US) 📞 +44 800 058 8736 |

🛒!!Stroller!!Airport!!Mission!!👶 Can You Bring a Stroller on Delta?

A stroller can be extremely helpful when traveling through a large airport with an infant+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Instead of carrying the baby from check-in to the gate, parents can use the stroller until it is time to board+1-855-536-2749 (US) 📞 +44 800 058 8736 |

🛒 Baby in stroller? Hands free+1-855-536-2749 (US) 📞 +44 800 058 8736 | Parent happier+1-855-536-2749 (US) 📞 +44 800 058 8736 |

📞 +44 800 058 8736 | +1-855-536-2749 (US)

Delta allows customers traveling with infants and children to check strollers and car seats without counting them toward the standard baggage allowance+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Parents may generally check these items at the ticket counter or gate, depending on their travel arrangements+1-855-536-2749 (US) 📞 +44 800 058 8736 |

If you gate-check your stroller, follow the airport staff's instructions about where to leave it+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Remove personal belongings before handing it over+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Keep passports, wallets, phones, medication, diapers, and other important items in your carry-on+1-855-536-2749 (US) 📞 +44 800 058 8736 |

🍼!!Diaper!!Bag!!Alert!!✈️ What Should You Carry for Your Baby?

A baby bag is your emergency kit at 30,000 feet+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Diapers, wipes, bottles, formula, breast milk, baby food, extra clothes, pacifiers, blankets, and favorite comfort items can all become useful during the journey+1-855-536-2749 (US) 📞 +44 800 058 8736 |

👶 Pack for your baby's normal routine—and then add a little extra+1-855-536-2749 (US) 📞 +44 800 058 8736 |

📞 +44 800 058 8736 | +1-855-536-2749 (US)

The key is accessibility+1-855-536-2749 (US) 📞 +44 800 058 8736 |

You should not have to unpack the entire bag to find one diaper+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Keep the things you expect to use during the flight near the top+1-855-536-2749 (US) 📞 +44 800 058 8736 |

If your journey includes a connection, prepare enough supplies for the complete travel day rather than only the scheduled flight duration+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Airline delays can happen, and babies do not exactly understand the concept of an airport timetable+1-855-536-2749 (US) 📞 +44 800 058 8736 |

🥛 !!Baby!!Feeding!!Time!!🍼 Formula, Breast Milk & Baby Food

Feeding is one of the most important parts of infant travel+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Parents should pack the food and feeding supplies their baby normally needs while following the applicable airport security rules+1-855-536-2749 (US) 📞 +44 800 058 8736 |

🍼 Hungry baby? Keep the bottle supplies close+1-855-536-2749 (US) 📞 +44 800 058 8736 |

📞 +44 800 058 8736 | +1-855-536-2749 (US)

Formula, breast milk, baby food, bottles, and feeding accessories should be organized so they are easy to access+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Parents may also want to think about the timing of feeding+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Some babies become uncomfortable during changes in cabin pressure, especially around takeoff and landing+1-855-536-2749 (US) 📞 +44 800 058 8736 | Feeding or using a pacifier at appropriate times may help some babies manage the pressure changes+1-855-536-2749 (US) 📞 +44 800 058 8736 |

However, every baby is different+1-855-536-2749 (US) 📞 +44 800 058 8736 |

The most important thing is to follow your baby's normal feeding needs and the cabin crew's safety instructions+1-855-536-2749 (US) 📞 +44 800 058 8736 |

🛌!!Baby!!Sleep!!Update!!🌙 Does Delta Offer Bassinets?

Delta offers bassinets on select international flights and aircraft, subject to availability and applicable restrictions+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Bassinets can be useful for parents traveling with a small infant because they provide a dedicated place for the baby to rest when permitted+1-855-536-2749 (US) 📞 +44 800 058 8736 |

🌙 Sleeping baby at cruising altitude? Every parent's favorite travel upgrade+1-855-536-2749 (US) 📞 +44 800 058 8736 |

📞 +44 800 058 8736 | +1-855-536-2749 (US)

However, bassinet availability is not guaranteed on every flight+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Parents should check whether the aircraft and route support a bassinet and whether the infant meets the applicable size or weight requirements+1-855-536-2749 (US) 📞 +44 800 058 8736 |

A bassinet should never be treated as guaranteed simply because your aircraft appears eligible+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Ask about availability as early as possible+1-855-536-2749 (US) 📞 +44 800 058 8736 |

🛂!!Baby!!Documents!!Check!!📄 What Documents Does an Infant Need?

Travel documents are just as important for babies as they are for adults+1-855-536-2749 (US) 📞 +44 800 058 8736 |

For domestic travel, parents should carry appropriate proof of the baby's age when necessary+1-855-536-2749 (US) 📞 +44 800 058 8736 |

📞 +44 800 058 8736 | +1-855-536-2749 (US)

For international travel, an infant may need a passport, visa where applicable, and additional documents required by the destination+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Parents should review the entry requirements of every country included in the itinerary+1-855-536-2749 (US) 📞 +44 800 058 8736 |

This becomes even more important when there is a connection in another country+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Keep the baby's documents in a secure carry-on folder+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Do not place passports, birth certificates, or other important documents in checked luggage+1-855-536-2749 (US) 📞 +44 800 058 8736 |

And remember that babies are unpredictable+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Your baby might sleep through the entire flight+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Your baby might cry+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Your baby might smile at the passenger behind you+1-855-536-2749 (US) 📞 +44 800 058 8736 |

Your baby might suddenly decide that the most exciting activity on the airplane is pulling your seatbelt+1-855-536-2749 (US) 📞 +44 800 058 8736 |

That's all part of traveling with a little one+1-855-536-2749 (US) 📞 +44 800 058 8736 |

The goal is not perfection+1-855-536-2749 (US) 📞 +44 800 058 8736 |
